

THE NEW BLUEPRINT

The New Blue Party of Ontario was formed to offer the solutions necessary to ensure our province's future is one of hope, opportunity, and prosperity.

New Blue MPPs elected on June 2nd, 2022, **will fight to end all COVID-19 mandates**, including: a complete repeal of Doug Ford's emergency measures; a ban on COVID-19 vaccine passports; a reduction in the powers of local bureaucrats; and restitution for those harmed by emergency measures applied by the governments of Justin Trudeau or Doug Ford.

The New Blue will also fight to:

- ✓ **Renew political accountability** by scrapping the \$100 million taxpayer subsidy of political parties, banning lobbyists from party politics, and cracking down on voter fraud in internal party elections.
- ✓ **Defund the establishment media and promote a free press** by cancelling the Toronto Star's \$500 million online gambling licence (gifted by the Ford PCs) and taxing all corporate media that receive any of the \$600 million federal government taxpayer "bailout" subsidy from the Trudeau Liberals.
- ✓ **Grow Ontario's economy** at 5% of GDP annually starting with taking down wind turbines to reduce electricity prices and slashing the regulatory burden to improve productivity.
- ✓ **Provide tax relief** by cutting the HST from 13% to 10% and axe the Doug Ford carbon tax.
- ✓ **Reform education** by reducing administrative costs, introducing alternative schooling tax credits and stopping "woke" activism with the removal of critical race theory and gender identity theory from our schools.
- ✓ **Restore dignity and transparency in our healthcare** by expanding early treatment for COVID-19, and clearing the backlog of procedures by rehiring healthcare workers and offering choice in services.

On June 2nd, we must send New Blue MPPs to the Ontario legislature to fight the continued implementation of Justin Trudeau's disastrous left-wing policies by the Doug Ford PCs.

The Ford PCs and their left-wing ideologues and lobbyists are determined to leave Ontario "**woke**" and **broke**, just like their predecessors.

The New Blueprint will move us forward - the right way forward - with strength, stability, liberty, and good government. It's time to stand for principle and stand up for you, with the New Blue in '22!
